### Fall Leaf Collection

Residential leaf collection will begin in mid-October by the Department of Public Works and continue until Thanksgiving. It is not necessary to contact City Hall with your property address. Crews will canvas the entire City as time and weather allows during this period.

- Do not place leaves in the street because they can block storm sewers and cause flooding. Piles of leaves in the street are also a dangerous attraction for children
- Bagged leaves will not be collected by the Department of Public Works
- Brush and leaves should be placed in separate piles to help speed the collection process
- Refrain from placing leaves next to trees, poles, mailboxes, or other obstructions which may slow down the collection process and/or cause damage to equipment or the obstruction

## Temporary Closed Drop Box

General Election November 8, 2022

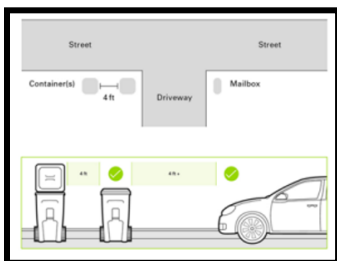

Due to a recent Wisconsin Supreme Court decision, unmanned ballot drop boxes are not available for returning your absentee ballots.

Therefore, absentee ballots can not be dropped off in the City Hall Drop Box for any reason during an election. A notice “**DROP BOX TEMPORARILY UNAVAILABLE**” is posted approximately 47 days prior to an election. All voters must mail their absentee ballot utilizing the provided envelope with pre-paid postage or return your ballot to City Hall (42 School St.) during in-person absentee voting or up to 8 p.m. on Election Day. All utility bills should be mailed to City Hall or dropped off in-person throughout this time frame.

## Garbage/Recycling Carts

Residents should place their carts to the curb the evening prior to their assigned collection day. Carts need to be placed behind the curb line (out of the road) immediately adjacent to the property. Do not place carts on snowbanks. Instead place the cart on your driveway apron or clear an area on your terrace to allow crews access to your cart. Do not overload garbage/recycling carts as your lids must close completely. Place your cart 4 feet from other objects on the terrace such as other carts, mailboxes, trees, etc. for the truck to grab the cart. Opposite side of driveway is recommended. Do not park vehicles in front or near the cart.

## Residential Exterior Storage

All materials and equipment shall be stored within a building or fully screened so as not to be visible from adjoining properties, except for the following: laundry drying, and recreational equipment, construction and landscaping materials and equipment currently being used on the premises, agricultural equipment and materials if these are used or intended for use on the premises. Boats/unoccupied trailers, less than 30 feet in length, are allowed if stored in the rear yard more than 5 feet from any property line on an impervious surface and moved every 12 months. The seasonal storage of boats and unoccupied trailers, less than 30 feet in length, is allowed on a side yard (not on street) on an impervious surface. No person shall park a vehicle, boat or trailer on a front yard or street side yard of any lot used primarily for residential purposes. All parking is required to be on an impervious surface and on an approved driveway.

## Winter Snow/Ice Regulations

Property owners, occupant or person in charge is responsible for cleaning snow and/or ice off of all sidewalks within 36 hrs. of weather event (snow, sleet, drifting, etc.) If neglected, the Department of Public Works shall have the snow and/or ice removed and will charge the responsible party. No written notification will be given to property owners. Fees are listed below:

- 1st Offense—75¢ per foot plus 25% Administrative Fee
- 2nd Offense—75¢ per foot plus 25% Administrative Fee plus \$50 Surcharge
- 3rd Offense—75¢ per foot plus 25% Administrative Fee plus \$100 Surcharge
- 4th and Subsequent Offenses—75¢ per foot plus 25% Administrative Fee plus \$200 Surcharge

Property owners may apply no later than 11/15/2022 for an exemption for the removal of snow and ice for the

upcoming winter season. The Director of Public Works may, upon a showing of sufficient cause, grant an exemption for the term of the upcoming winter season. An exemption is valid only for the season granted and must be applied for each new winter season.

A reasonable amount of sand/salt mixture may be procured from barrels at various intersections or at the City Garage, 908 Maple St., Chilton (behind Kwik Trip) to prevent slippery or icy sidewalks.

**Winter Parking Restrictions.**

## Winter Parking Restrictions Sec. 28-40 City Parking Lot

**Restricted:** No person shall park any vehicle or leave standing any vehicle between 2:30 a.m. and 6 a.m. in the city owned parking lots located off Main St. and School St.; provided, however, that 24 hour parking is allowed in the ten marked stalls on the east side of the city owned parking lot, located at 45 School St and 24 hr. parking is allowed in the 10 marked stalls on the west side of the city owned parking lot located at 35 School St.

## Sec. 28-47 Winter Parking

**Restrictions:** (a) Between November 1 and extending to April 15, no person shall park or leave standing any vehicle or equipment upon any of the streets or alleyways of the city between 1 a.m. and 6 a.m. and alternate parking is required for vehicles in residential areas only. (b) Alternate parking means on even numbered calendar days a vehicle must be legally parked on the side of the street with even house numbers and on odd numbered calendar days a vehicle must be legally parked on the side of the street with odd numbers.

## Sec. 28-48 Snow and other emergency street use restrictions:

See Chapter 28 of the Municipal Code for details.
